## **Tampa Telecommunications Company Recognized with Two Prestigious Awards**

A Decade of Excellence and a Business Journal Top Ten List are included in the Honors Bestowed upon this Woman-Owned Technology Company

**Tampa, FL, January 23, 2012:** The esteemed *Women's Business Enterprise National Council* (WBENC) declared Sencommunications® a recipient of their "Decade of Excellence" award – one of only six women-owned enterprises honored in the state of Florida.

Founder and President Frances Senory was recognized during an awards luncheon at the conference and business expo in December hosted by the Women's Business Development Center (WBDC), the regional certifying partner for the WBENC.

A trusted source for determining excellence in business practices, the WBENC promotes world-class standards for women-owned businesses throughout the United States.

Along with this prominent recognition in the national arena, Sencommunications® was also lauded in their local Florida market by being ranked #8 on the *Tampa Bay Business Journal's* 2012 list of women-owned businesses. The Book of Lists is renowned for spotlighting essential information on the leading businesses, buyers and employers in over sixty dynamic markets in the United States.

### **About Sencommunications, Inc. ®:**

Poised to celebrate its twenty-third anniversary in business, Sencommunications® specializes in outfitting and supporting home-based, virtual and brick and mortar businesses with headsets, phones, conferencing units and unified communications products.
